Southern Tier NECA/ Delhi Student Chapter

Southern Tier NECA Executive Director, Meredith Kumpon, met with the Delhi Student Chapter on Tuesday, March 26th. The chapter has over 15 members with a very active slate of officers. The chapter dedicates a significant amount of time on community service projects both on and off campus. The students are interested in growing their fundraising activities and engaging more with local contractors to learn what it is really like on the jobsite.
