Welcome - Kelvin Herralá

The Southern Tier Chapter of NECA would like to welcome Kelvin Herralá to his new role as Business Manager of IBEW Local 325. Kelvin possesses over thirty years of electrical experience since being accepted into the apprenticeship program back in 1989. Kelvin has worked his way from Journeyman, to Foreman, up to General Foreman.

As an active member of the community Kelvin has spent his free time volunteering in the Boy Scouts and maintaining the land surrounding his hometown. He enjoys motorcycles and motorcycle racing.

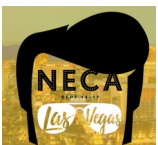

We welcome Kelvin and wish him the best of luck in his new role.

Southern Tier NECA Member Ranked 93rd Solar Installer in the US

John Mills Electric, and its Twin Tier Solar subsidiary, have been recognized by Solar Power World magazine as among the Top 100 solar installers in the United States. John Mills placed 93rd in a list of 100 companies that are ranked based on the total capacity of solar power systems they have installed over the previous year. Congratulations to John Mills Electric and Southern Tier NECA Chapter President, Lindsay Mills, for this great achievement.

Congressman Brindisi meets with Local Trade Leaders

On Monday, August 5, 2019 Congressman Anthony Brindisi (NY-22) met with local labor leaders to discuss their opposition to the proposed rule issued by the Department of Labor in regards to IRAP's - Industry Regulated Apprenticeship Program's.

The rule, which was developed based on Executive Order 13801, proposes to establish parallel apprenticeship programs, which would allow third party entities to create their own apprenticeship programs. IBEW 325's business manager Kelvin Herrala spoke on behalf of the IBEW and NECA at the press conference and emphasized the importance of the JATC and the high standards of the program.

Upcoming Educational Opportunities

Basic Estimating of Electrical Construction

Finger Lakes New York

October 8-11, 2019

Small mistakes in an estimate can have a huge impact on your bid's bottom line and this course provides the tools needed to be both comprehensive and competitive. This course will discuss the process for assembling an estimate including: developing material lists, applying labor unit data, material take off and application of direct job costs, overhead, and profit.

Target Audience: Individuals who are new to estimating or are looking to hone their skills.

*Instructor: James Thiele
Course Length: Four-Day Cost: \$870
Continuing Education Hours: 24*

Please contact Southern Tier NECA for assistance with scheduling

Southern Tier NECA wishes everyone a safe and happy Labor Day.

The National Electric Installation Standards are now available. The Southern Tier NECA Chapter will be providing a digital subscription to each of its members, which will provide unlimited access to the complete digital collection of NECA's quality and performance standards

Southern Tier NECA's Annual Holiday Party will be held on Saturday, January 11th at the Turning Stone Casino and Resort
