Basic Estimating of Electrical Construction

Finger Lakes New York

October 8-11, 2019

Small mistakes in an estimate can have a huge impact on your bid's bottom line and this course provides the tools needed to be both comprehensive and competitive. This course will discuss the process for assembling an estimate including: developing material lists, applying labor unit data, material take off and application of direct job costs, overhead, and profit.

Target Audience: Individuals who are new to estimating or are looking to hone their skills.

Instructor: James Thiele
Course Length: Four-Day Cost: \$870
Continuing Education Hours: 24

Please contact Southern Tier NECA for assistance with scheduling

Finger Lakes, NY Chapter Manager Gets Inducted into the Academy of Electrical Contracting

The Southern Tier NECA Chapter would like to congratulate Marilyn Oppedisano, Finger Lakes NY NECA Chapter Manager, for her induction into the Academy of Electrical Contracting. Marilyn and 15 others were inducted into the Academy during the Opening Session of the NECA National Convention held in Las Vegas from September 14-17th. The purpose of the Academy is to honor outstanding leaders in the electrical contracting industry. The Academy preserves and utilizes the wealth of experience and knowledge of the inducted fellows for the benefit of the industry. Congratulations Marilyn!

NFPA Publishes the 2020 National Electric Code

Join NECA for a webinar on **Tuesday, October 15 at 10:30 am EST** for a review of the most significant changes in the 2020 NEC® from those that know it best. Learn about new articles and revisions to existing requirements that have an impact on your daily business.
