SUNY Delhi/NECA Student Chapter Update

SUNY Delhi

Congratulations to the NECA student Chapter at SUNY Delhi for being awarded the SUNY Delhi Community Champions awards for November. The student chapter works hard throughout the year giving back to their community through various community service efforts. The chapter meets every Monday evening to discuss not only chapter business, but opportunities that might exist for them to participate and give back, even on the weekends! A big shout out to a tremendous group of students!

TAKE ACTION: Nuclear Powers America Act

Tell Congress to support the Nuclear Powers America Act (H.R 2314/S. 1134).

This legislation will help NECA contractors by extending the ITC to include nuclear work by creating a 30 percent tax credit for refueling costs and qualified nuclear power plant capital expenditure for each taxable year through 2023. Thereafter, the credit rate will be reduced until it reaches 10 percent in 2026. Nuclear power accounts for 20% of the nation's electrical supply supporting 475,000 jobs.
